

# CAMPBELL RIVER

## School District 72

March 28, 2022

Dear parents/guardians and staff,

We are very happy to welcome everyone back from spring break and hope that you had the opportunity to relax and enjoy time with family and friends.

As a reminder, the provincial health order requiring masks has been lifted and staff and students are no longer required to wear masks indoors. However, our schools will continue to respect the personal choice of those who wish to continue to wear a mask based on their own comfort and risk factors.

While provincial mask guidelines have been lifted, **there are some federal exceptions for staff and families who travelled outside the country over the break:**

**Returning students and staff are expected to follow federal government requirements, which include:**

- For 14-days following entry to Canada, those who have travelled outside of Canada including children, must wear a well-constructed and well-fitting mask when in public spaces both indoors and outdoors. **This includes schools and daycare settings.**
- As per federal requirements, unvaccinated or partially vaccinated youth 12 to 17 years of age are to quarantine for 14-days.
- Monitor for symptoms for 14-days after your arrival and follow local public health authority advice if you develop symptoms.

Thank you for your continued cooperation to reduce the spread of COVID-19.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Morrow', with a long horizontal stroke extending to the right.

Dr. Jeremy Morrow  
Superintendent of Schools
