DOUBLES TIC TAC TOE with THREE LEVELS

PURPOSE / SKILL: To build addition mental math skills through a strategy game.

MATERIALS: Printable Tic Tac Toe board (provided), counters (beans, Lego, etc)

INSTRUCTIONS:

- Choose and print off the "Doubles + Doubles + 1 Tic Tac Toe" board that best suits the skill level of your child.
- Decide who goes first.
- On your turn, choose a question, SAY the answer, cover it with your counter.
- Block your opponent
- 3 in a row to win!
- Do not remove your counters and keep going! How many times can you win?

POSSIBLE NEXT STEPS:

- Try 4 in a row to win, or 5 in a row!
- Try one of the harder boards.
